Mary:

Can we get these changes (suggested by Leg Council below) made to the Senate Amendment a2314?

Not sure if it's going to be too short of notice...

Thanks

Liz

Hi Liz, LRB a2314/1 does not accomplish your intent as you explained it to me (if I understood correctly). To do so, the following two changes should be made:

- The general authority created under Section 6 of Assembly Substitute Amendment 1 would have to be changed to only generally authorize operation of ATVs with snow removal devices attached on roadways with speed limits of 45 MPH or less, UNLESS such use is authorized by the city, village, or town within which the roadway lies (like the way the bill was passed by the Senate with your amendment)
- The authority granted to cities, villages, and towns under Section 11 of the bill would have to be changed to permit these local governmental units to AUTHORIZE use of ATVs for this purpose on roadways with posted speed limits above 45 MPH within their jurisdictional boundaries, regardless of jurisdiction over the road (the sub. currently authorizes them to PROHIBIT use on such roads, and the amendment doesn't change that).

Thanks, and let me know if you have any questions.

Mary, it appears to me that the words "from being" at the end of line 18 on page 4 and the beginning of line 19 on page 4 should be changed to "to be"
